National Hydroelectric Power Corporation Projects

†* 359 SHRI HARENDRA SINGH MALIK: Will the Minister of POWER be pleased to state.

(a) the project-wise and period-wise details of the projects targeted to be commissioned by the National Hydro-electric Power Corporation (NHPC) during the Tenth Five Year Plan;

†Original notice of the question was received in Hindi.

(b) the estimated expenditure to be incurred on the said projects and the sources from where these resources are to be mobilized; and

(c) the additional capacity of power in terms of megawatt to be added by these projects?

THE MINISTER OF POWER (SHRI SURESH PRABHU): (a) to (c) The Government of India is according high priority to the development of hydro-electric projects in the country. Out of the total capacity addition of 41,110 MW envisaged for the 10th Five Year Plan, 14,393 MW is planned through hydro-electric projects under the Central Sector, State Sector and Private Sector. It has been decided that NHPC will add 4,357 MW during the 10th Plan from hydro-electric projects. These comprise schemes which are under different stages of execution and scrutiny, including on-going schemes, new schemes and those which are to be executed through joint ventures with State Governments. The details of these projects indicating their approved/revised cost and expected dates of commissioning are enclosed (*See* below). The capacity addition has been planed keeping in view the projected availability of funds through budgetary support, borrowings by NHPC and the internal resources.

Statement

Details of projects under execution and proposed to be taken up by NHPC during 10th Plan

Sl. No	Name of Project	Capacity (MW)	State	Approved/ revised cost estimate (Rs. In crores)	Price level	Scheduled/ expected commiss-ioning	Remarks
